About our collection

Les Domaines de Fontenille

Domaine de Primard belongs to Les Domaines de Fontenille, a collection of eleven hotels founded by Frédéric Biousse and Guillaume Foucher, combining the French art de vivre, nature immersion, cultural discoveries, gastronomy, wellness, simplicity and elegance. Understanding and enhancing the terroir, preserving local heritage...

Les Domaines de Fontenille bring you on a unique journey, both physical and intellectual, sensory, and initiatory. It is a geographical and historical adventure. Centuries collide, distances shrink, landscapes flit past, from the cliffs of Menorca to the Luberon mountains, from the Calanques of Marseille to the hills of Tuscany.
